1977

Cessna Citation C500

Twin-engine light jet, RVSM capable · Sierra long-wing modification

TOTAL TIME	PASSENGERS	MAX TAKE-OFF WEIGHT	ENGINES
10,573 h	5	12,500 lb	2 × JT15D-1A

OVERVIEW

1977 Cessna Citation C500 with the Sierra long-wing modification, configured for two pilots and five passengers. The modification raises maximum take-off weight to 12,500 lb and fuel capacity to 4,400 lb for improved range, climb and cruise, with shorter take-off and landing distances and a reduced VREF. Freon air conditioning and an Egan aeromedical stretcher system are fitted; all inspections are up to date and the aircraft is available immediately.

- Sierra long-wing modification
- Long-range fuel to 4,400 lb
- Freon air conditioning
- RVSM capable
- Phase 1–5 inspections completed 2026
- Egan aeromedical stretcher system

AIRFRAME

Type: Cessna Citation C500

Serial number: 500-0347

Total time: 10,573 h

Configuration: 2 pilots + 5 passengers

Year of manufacture: 1977

Location: Namibia

Modification: Sierra long wing

Times as of: June 2026

MAINTENANCE STATUS

ITEM	STATUS
Phase 1–5 inspections	**Completed 2026**
Inspection status	All inspections up to date
Recent investment	Over R2 million by the current owner

WEIGHTS & PERFORMANCE

Max take-off weight: 12,500 lb, increased gross weight modification

Fuel capacity: 4,400 lb (approx. 2,485 litres)

Average fuel burn: approx. 1,112 lb/h (630 litres/h)

Fuel: Jet A1

Cruise speed: approx. 375 ktas

Range: approx. 1,450 nm

Cruise speed and range are published figures for the Cessna Citation C500 and are provided for information purposes only. Actual figures vary with configuration, weight, temperature and altitude; the Aircraft Flight Manual and current weight-and-balance report govern.

HOWARTH AVIATION

GLADA-ACCREDITED AIRCRAFT SALES & BROKERAGE

Your transaction. Perfected.

Navigating the world of aircraft sales and acquisitions requires a partner with proven expertise and unwavering integrity. Welcome to Howarth Aviation.

AFRICA'S ACCREDITED EXPERTS

As the continent's first member of the Global Aircraft Dealers Association (GLADA), we offer globally recognised standards with dedicated local insight. Trust, transparency, and your best outcome are at the core of everything we do.

DECADES OF EXPERIENCE

With nearly 30 years of operational and sales leadership, we understand aircraft from the inside out. We guide you on true value, mission-fit, and long-term ownership strategy.

GLOBAL REACH. PERSONAL SERVICE.

Our boutique approach ensures direct access and a personalised strategy, whether you are buying your first aircraft or selling a fleet asset. We leverage our global network to connect African clients with the world's inventory and international buyers with opportunities on the continent.

- Aircraft Sales & Acquisitions (Jets, Turboprops, Helicopters, GA)
- Pre-Purchase Inspection & Technical Oversight
- Expert Advisory for First-Time Buyers
- Aircraft Maintenance Management
- Exclusive Off-Market Sourcing
- Seamless Import/Export & Registration
- Financing & Legal Support Coordination
- Refurbishment & Upgrade Management
